Trust Us. Live Healthy

Company Profile

PAD Jondishapour

is the parent company of NUTRIPAD, a leading producer of high-quality food supplements that are designed to support your wellness journey. With 5 years of market research, stability study and product portfolio finalization before brand establishment, our company was founded by a high experienced and professional team. By establishing offices in UAE, India, Georgia, Turkey, Kenya, and the Netherlands, Nutripad aims at becoming a global dietary supplements and vitamins producer competing with world-class standard companies.

Our mission

is to provide a comprehensive range of high-quality food supplements to families worldwide, promoting a healthy lifestyle and making it enjoyable and convenient. We believe that taking care of your health should be a priority, and we aim to support our customers' wellness goals with our carefully crafted products.

Our vision

is to become a global leader in the food supplements industry, offering unique, effective, and safe products to our customers. We are committed to continuous improvement and innovation, investing in research and development to stay at the forefront of the industry.

We understand the importance of quality, and that's why we never compromise on the ingredients we use or the flavors we add to our products. Our team of experts conduct extensive research and development to produce long-lasting products with competitive prices for a wide range of customer segments all around the world.

Our products are made with the finest ingredients sourced from around the world, ensuring that you get the best possible quality. We offer a vast range of supplements, including Biotin, Collagen, Glucosamine, and a variety of vitamins and minerals, carefully crafted to support your health and wellness goals.

Our packaging is not only easy to use but also eye-catching, making NUTRIPAD the perfect choice for those who want to take care of their health in style. We have already gained significant success in the African market, and we are now expanding to the GCC region market. With our high-quality products, vast range of choices, and decent pricing strategy, we are confident that we can compete in any market.

HairPad

Gorgeous hair, Radiant skin and
Strong nails all in one bottle
